

A GENERAL RULES

- 1) These rules set out the principal terms and conditions of **Joe Jennings Bookmakers Limited (JJBL)** as required by The Gambling Commission. An expanded set of rules is available, on request at the counter. Our expanded rules are also available on our website at joejennings.co.uk

 - A) **Special Bets, Bonuses and Concessions.**
 - 1) Bets that incorporate bonuses and concessions are settled in accordance with the specified rules issued for those bets.
 - 2) These rules can be found separately either on the special slip produced for acceptance and/or on a separate rules display notice.
- 3) The placing of a bet with **JJBL**, signifies your acceptance of our rules, whether or not you have familiarised yourself with them. It is the customer's responsibility to ensure that they are familiar with these rules.
- 4) All bets are deemed to be for events taking place on the day of placement unless instructions clearly stipulate otherwise.
- 5) Once accepted, a bet can only be cancelled by mutual consent.

 - B) Any bets taken in error by somebody under the age of eighteen will be void, win or lose.
- 9) **Betting Contract:**
 - A) Bets may be placed by writing instructions on a betting slip/coupon or by completing a mark-sense slip and then presenting the slip/coupon, together with the full stake, to a member of staff.
 - B) The transaction slip is a record of payment, it is NOT a contract. The contract arises when a bet is placed on a market offered on an event and the bet is not void under the terms of these rules.
- 10) **Receipts:**
 - A) Customers are required to retain their receipts until all bets on the slip can be fully settled.
 - B) It is the responsibility of the customer to keep their receipt safe.

 - 2) The customer complies fully with **JJBL's** 'lost ticket' procedures.
- 11) **Obvious Errors:**
 - A) An LBO is, by its very nature, a fast moving environment where events and odds move rapidly and bets are taken continuously, consequently mistakes can occur. Despite every effort to ensure complete accuracy, the company cannot be held responsible for any typing, human or other obvious mistake which leads to any errors or omissions, including the announcing, publishing or marking of odds, handicaps, place terms, runners or results other than those intended, or bets being taken which contravene the Company's rules.
 - B) In cases where a bet has been taken, for any reason, at an incorrect price, the bet will be settled at the correct price, or terms available with **JJBL**, at the time the bet was placed. This will happen whether the amendment is in favour of **JJBL** or in favour of the customer.
 - C) **JJBL** reserves the right to similarly correct any other errors.
- 12) **Disputes:**
 - A) **JJBL** aim to resolve all disputes locally, but where this is not possible the dispute can be taken to the Independent Betting Adjudication Service (IBAS) for adjudication on the basis of these rules.
 - B) **JJBL** are committed to be bound by the decision of IBAS.
 - C) IBAS can be contacted at:

Address:	PO Box 44781 London SW1 0WR
Telephone:	020 7881 2690
Website:	www.ibas-uk.com
Email:	postmaster@ibas-uk.co.uk
- 13) **Cheating:**
 - A) **JJBL** reserves the right to void any or all bets made by any person or group of persons acting in an attempt to defraud the company where there is evidence of price, race, match or event rigging or breach of a rule applied by the governing body of the sport concerned (see section 15.1 of the Gambling Commission's Licence Conditions and Codes of Practice).

- B) Where evidence exists of rigging or some other act which has unfairly affected the result, or where there is evidence of a series of bets each containing the same selection(s) having been placed by or for the same individual or syndicate of individuals, the company reserves the right to make bets void or withhold payment of returns pending the outcome of any subsequent investigation.
- C) Where **JJBL** believes that one or more individuals have placed or are attempting to place bets in a fraudulent or deceptive manner, then all stake monies and potential winnings will be withheld pending further investigation by **JJBL's** Security Department and the Local Police.

B ACCEPTANCE RULES

- 14) **Odds**
 - A) All odds offered are subject to fluctuation unless an Ante-Post or Early/Board/Guide price is accepted.
 - B) Odds are accepted as transmitted by our official information service provider(s) (subject to rule 11) and not from any other broadcast source.
 - C) Where there is a difference between the odds on the slip/coupon and the odds offered by **JJBL** at the time the bet is placed, then the bet will be settled at the latter odds on the slip/coupon having been specifically and deliberately authorised, at our complete discretion, by **JJBL** staff by means of manual endorsement on the slip/coupon.
- 15) **Slip Capture System (SCS):**
 - A) **JJBL** shops operate an automated SCS. Bets will be processed through a scanner and a receipt, which has a unique bet number and shows a photo image of the bet, printed (or printed details of your bet in the case of mark sense slips).
 - B) For a bet to be valid, the bet number and image or printed bet details must be registered on the SCS and be printed on the receipt.
 - C) In the case of mark sense slips customers should check the receipt of each bet placed to ensure that the selections shown correspond with the original intention. In the event of a dispute the details on the printed receipt will take precedence.
- 16) **Placing Your Bet:**
 - A) It is the responsibility of the customer to ensure the details of the bet including timing, instructions, spelling and stakes are correct on the printed receipt before leaving the counter.
 - B) The bet will be settled on the instructions as written on the betting slip before acceptance (as varied, if necessary, under rule 11 and 14C).
 - C) **JJBL** staff are instructed not to hand bets back to customers under any circumstances once the bet has been processed. Should a customer's bet be returned with the official receipt, the bet will be declared void, win or lose.
 - D) No verbal instruction given to staff at the time the bet was placed, or written instruction added to the printed receipt after it has been processed, will be taken into account for settling purposes.
 - E) Should your bet include a non-runner and you become aware of this prior to the start of the event, then **JJBL** staff may, at their complete discretion, amend your bet with a replacement selection.
- 17) **'Off Slip' Procedure :**
 - A) The company's SCS has an automated 'off slip' for all Horse, Greyhound and Numbers events covered in the full LBO Service and bets are valid if placed up to that time.
 - B) Except where express prior authorisation is given by **JJBL**, and this is manually endorsed on the slip by a member of staff, single bets placed after the off will be deemed 'late' and will be void, win or lose.
 - C) In multiple bets 'late' selections will be treated as non runners.
 - D) In all events where rule 17A is not relevant, the following rules apply.
 - 1) Where a race or event is live and visible on our shop screen system bets will be accepted up to the actual 'off' of the race or event.
 - 2) Where a race or event is not live or visible on our shop screen system bets will be accepted up to the advertised start time. Any bet that is placed after

this time will be void, unless we are satisfied that the bet was placed before the actual start of the event.
 - 3) In the event of there being a dispute over the time at which a bet was placed, then the time at which it was recorded on the SCS will govern the settlement.
- 18) **'In Running' :**

Where a bet is expressly placed 'In-Running' on a valid event offered by **JJBL** then rule 17 shall not apply.

- 19) **Related Contingencies :**
A) **JJBL** does not accept multiple wagers where the respective outcomes are related unless a 'special accumulative price' is advertised at the time of acceptance.

(e.g. England to win the semi final of the World Cup in a double with England to win the final / The same horse to win the 2000 Guineas and the Derby / A footballer to score the first goal and his team to win).

- B) Multiple bets will be settled as the appropriate Multiple bet relevant to the number of selections made. The bet will be treated as understaked (see Rule 73) and a proportionate amount paid. E.G. 10p Yankee with six selections will be settled as a Heinz.

67) Too few selections :

Bets will be settled for the type of bet written with a non-runner (or non runners) so as to allow the bet to be settled normally.

68) Precedence :

- A) Named selections will always take precedence over numbered selections. Where information on a selection is contradictory then the name shall dictate settlement.
- B) Should there ever be any doubt as to whether a named selection refers to a horse or a dog, then horse racing will be given precedence.
- C) However, where numbered selections are nominated and there is doubt as to whether a selection refers to a dog or a horse, then dog racing will be given precedence.

- 69) Errors between named and numbered selections :**
- A) Where a customer names a selection then the name will stand as the selection irrespective of whether it has been incorrectly timed or numbered in any way. E.G Westmead Hawk - Trap 4 is written, and that selection runs from Trap 5 than Westmead Hawk will be the selection.
- B) If the selection, E.G Westmead Hawk, is withdrawn then the selection is a non-runner regardless of whether a reserve runs from Trap 5.
- C) This rule applies equally to Horse and Dog selections. E.G bet placed on 'Horse Number 5, Desert Orchid' when the correct number is 15 will still stand as a bet on Desert Orchid.
- 70) Duplicated instructions :**
- A) Where the instructions stated on a betting slip are duplicated but the intention can be clearly ascertained because the staking pattern meets another standard bet than the bet will be settled accordingly, E.G. 15 Doubles & 20 Doubles on six selections the pattern clearly indicates 15 Doubles & 20 Trebles was intended.

- A) Where the instruction for a bet is clearly interposed then the bet will be settled by recognising the obvious error and correcting it, providing that no other assumption needs to be made. E.G. 8 x 10p Doubles on 5 selections with 80p staked, will be settled as 10 x 8p Doubles.
- B) If any secondary assumption needs to be made then the bet will be void.

- 74) Overstaked bets :**
- Where a bet is placed and the total staked is more than the bet instruction, the overstaked amount will be returned void.
